

## **Police-Car Dispatcher Contract Signed**

**ST. BERNARD:** Council has approved a contract with Elmwood Place whereby St. Bernard police will dispatch Elmwood Place police cars.

Elmwood Place formerly was dispatched by Cincinnati's Station X. Cincinnati wanted to increase its rate to 50 cents per call and Elmwood Place went looking for a new dispatcher.

The village will pay St. Bernard 20 cents for each call. St. Bernard officials say they will have to call Elmwood police cars an average of once a day.
